

Our Services

In Person and Virtual Care (for adults and children)

The following list provides an overview of the broad scope of diagnoses, procedures, and services that may be rendered in our health centers (not a complete list). Our onsite clinicians make all treatment decisions with the health, well-being, and best interest of the patient as the foremost goal.

Provider Access (typical availability or response time)

Doctor's office appointments: Same- or next-day for urgent needs
Email consults (through Everside Health portal): Within one business day

Phone consults: Within two hours during business hours/within 45 minutes outside of business hours

Prescription Drugs & Medications

Some doctor's offices have a supply of common, generic medications. Generic versions of the items below are frequently available to members for a low fee, similar to what they might pay at a nearby pharmacy.

Generic Prescription Program

The generic equivalent of the following medications may be available. Exact medications offered are at the discretion of the provider and are subject to change.

- Aloprim
- Amoxicillin
- Augmentin
- Bactrim
- Celexa
- Cipro
- Claritin
- Cortaid
- Cozaar
- Diflucan
- Ditropan
- Elavil
- Ferrous Sulfate
- Flagyl
- Flexeril
- Flonase
- Gentamycin
- Glucophage
- Glucotrol
- Hydrochlorothiazide
- Imitrex
- Keflex
- Lasix
- Levaquin
- Lipitor
- Lopressor
- Lotrimin
- Naprosyn
- Norvasc
- Ortho Tri-Cyclen
- Penicillin
- Phenergan
- Prednisone
- Prilosec
- Proventil
- Pyridium
- Trazodone
- Triamcinolone
- Ultram
- Ventolin
- Vitamin D
- Z-Pak
- Zantac
- Zestril
- Zithromax
- Zocor
- Zofran
- Zoloft
- Zovirax
- Zyrtec

Certain prescriptions and procedures, and tests sent to outside labs will be charged to your insurance. For those contributing to an HSA, some fees may be required for non-preventive services and acute/non-preventive services are provided, on average, at a lower cost than other providers. Care delivered by phone or email is no additional cost.
