

# Your employer has partnered with Everside Health as part of your benefits package.

Covering up to 90% of your comprehensive and primary care needs with no out-of-pocket costs. Employees and dependents on the health plan can access Everside locations across Northeast Ohio, including virtual care and 24/7 access to your provider for emergencies. Everside providers and clinicians are dedicated to your healthcare and are easy to reach at convenient locations near your home or work, as well as virtually (by phone or video).

## Services

- Cost savings with \$0 copay for most services, including generic drugs and lab work
- Easy access to care when you need it, with in-person and virtual care services at convenient health center locations
- Care for everything from routine check-ups and urgent needs to healthy lifestyle coaching and chronic condition management for the entire family
- Same and next-day appointments with 24/7 access to your providers for urgent needs
