

# All benefits. No doubt.

Lumina Imaging and Diagnostics is the preferred provider of CT scans and MRIs for your company's medical plan. With Lumina, you receive a clearly distinct experience—one focused on quality, cost-savings, and convenience.

## QUALITY

- **Latest hospital-grade technology** for clearest imaging
- **Experienced technologists** trained to provide the best images
- **Scan interpretation** by fellowship-trained, sub-specialized radiologists

## COST

- **Up to 70% less** expensive than hospital systems

Service	No Contrast	Contrast
Computed Tomography (CT Scan)	\$350	\$400
Magnetic Resonance Imaging (MRI)	\$700	\$750
Lung Cancer Screening	\$120	N/A
Cardiac Calcium Scoring	\$99	N/A

### In-network Coverage

With insurance, you may pay far less than the prices above. Lumina is in-network with:

- Aetna
- Anthem
- Center for Medicare and Medicaid Services
- Cigna
- Medical Mutual
- Ohio Bureau of Workers' Compensation
- United Healthcare

Note: Lumina is not a Medicaid-enrolled provider (including Medicaid as secondary coverage).

## CONVENIENCE

- **Same and next-day** appointments
- **Results delivered** within 24 hours and shared with specialty providers
- **Convenient** neighborhood locations: Mentor, Solon, Medina, and Westlake
