- Pharmacy benefits are included in both medical plans
- CVS Caremark is the pharmacy manager on the PPO plan
- MMO is the pharmacy manager on CleCare and they utilize MetroHealth Pharmacies
- Under the PPO Plan maintenance medications must be filled at a 90-day supply through CVS Caremark Mail Service or a CVS Pharmacy
 - Maintenance medications are prescriptions commonly used to treat chronic or long-term conditions. Some of these would include high blood pressure, heart disease, asthma and diabetes

FSA Account Overview

MMO is CMHA's FSA Provider

- A Flexible Savings Account (FSA) allows you to save for qualifying medical, dental, vision and dependent care expenses on a tax-free basis.
- When you elect this benefit, the money you designate to your FSA account is deducted on a pre-tax benefit., thus reducing your taxable income. Once you enroll, you will receive a debit card to pay for **eligible expenses** incurred during the plan year.
- 'Use it or Lose it' – At the end of the year, this benefit resets and you cannot roll over the entire amount. Depending on your balance at the end of the year, you may forfeit a portion of any unused amount. Contact HR for further guidance or if you have any questions.
