# Peace of Mind: Will Preparation

According to one AARP study, more than 40 percent of Americans over the age of 45 don't have a will. One reason people are reluctant to start the will preparation process is not knowing where to start.

You can create your own will in less than an hour by using Lucet's interactive Will Maker. **Here's how:**

1. Log onto [willprep.lucethealth.com](http://willprep.lucethealth.com) using code **MML**.
2. Click on **Personal Documents**. Choose the appropriate document.  
Note: To protect your privacy, registration is required. All documents come with complete instructions. You can also start a document and save it online to update it later.

The online wills are valid for residents in all 50 states. As with any legal matter, you may want to consult with an attorney to discuss your options and to make sure the family is fully protected, especially if you have questions or concerns.

In addition to wills, Lucet offers free online access to an extensive catalog of personal, legal and business documents and a library of information regarding topics such as bankruptcy, elder law, neighbor issues and tax audits. Use this resource to create:

- Complaint letters for damaged luggage, home repairs or billing errors
- Quitclaim deeds
- Living trusts for married or single persons
- Identity theft affidavits
- Rental agreements
- Bills of sale or buy-sell agreements
